

## **ABBIE HENSHAW-Alexandria, VA**

Abbie Henshaw is a Freshman at Tufts University where she is double majoring in Mechanical Engineering and Gender Studies. She started with *FIRST* in 2011 on a *FIRST* Lego League team and continued with the program at her high school on FTC Team Thunderstone. Over her 4 years of High School, she went to the State Finals all 4 years and the World Championship twice. On the team, she was the captain, head of both the Engineering Notebook and Outreach, and a member of the build team. She worked closely founding and mentoring her school's FLL teams and as a Junior in high school, she was nominated as a Dean's List finalist. She loves volunteering at events and especially loves working with *FIRST* Lego League, as that is where she first fell in love with *FIRST*.
