

ALEXANDER HUGHES-Manassas, VA

Alex Hughes is currently a Senior at George Mason University studying Bioengineering and Entrepreneurship. He is an FRC Alumni and serves as a mentor for Team 612 and Team 1895. Additionally, he is the President of Hypernova Solar, the only Solar Car team in the Northern Virginia area. In addition to mentoring for FRC Teams, Alex enjoys spending his time rock climbing, coding, and working on his startups as an entrepreneur.
