

JOSH MARCIANTE-Eldersburg, MD

Josh started in *FIRST* in middle school. He spent 5 seasons with the Robo-Lions, Team 2199, serving as software lead for 2 years, and team captain for 2 years. Twice a Dean's List Semi-Finalist, he led the team to two district championship appearances as captain. "The team was absolutely invaluable to me," he said. "I have yet to find a technical concept in college that *FIRST* didn't at least touch on." He is currently a sophomore studying Information Systems at UMBC with a Network Administration focus, and is an ally and affiliate with the Center for Women in Technology at UMBC.
