

SPENCER MACTURK-Blacksburg, VA

Spencer Macturk is currently a sophomore Mechanical Engineering student at Virginia Tech. He is an alumnus of FRC Team TALON 540 from Richmond, Virginia. During his time with *FIRST*, he worked as the Computer-Aided Design member and was the Computer-Aided Design Lead his junior and senior year. Spencer was a 2018 Dean's List Semi-Finalist and presently acts as a design consultant for TALON 540. He credits *FIRST* for introducing him to the field of Engineering and for allowing him to enjoy his potential career path.
