

Ethan Bass – Blacksburg, VA

Ethan was a participant in *FIRST* for a total of 18 years across all 3 programs, He was a mentor for 4 years, and is now incredibly grateful to be the head coach of FTC team 4924! After graduating from *FIRST* he got a degree in mechanical engineering and a job packaging automation.

Ethan says, “this will be my third year of being an Alumni Ambassador and I have loved every minute of it! I hope by being an Alumni Ambassador I can show people that the skills you learn and use in *FIRST* can be applied anywhere.”
