

Heather Lin – Potomac, MD

Heather joined the *FIRST* Community in 5th Grade as Team Extraterrestrials which eventually became Team Wifi Wizards. By her third year in FLL, her team qualified to invitationals as 3rd Place Champions at the Maryland State Championships. Eventually, she graduated and participated as Team Captain and Mechanical Design Lead of Team 12518 Almond Robotics. Her FTC team qualified for the World Championship twice as Finalist 2nd Pick and 2nd Place Inspire Award at the MD State Championship.

After graduating high school, Heather now works for two companies: OESH Shoes, a 3D printing shoe company, and Robotic Research, Military and Commercial Automation Company.
