

Aashray Manchanda – Fairfax, VA

Aashray Manchanda has been involved with *FIRST* since 2014, where he was first captain of his FLL team, and was then the captain and engineering lead for FTC team 10515 Xtreme Voltage, where he was a 2-time Dean's List Finalist. He continues to involve himself with *FIRST* programs as the mentor for several FLL and FTC teams, while also volunteering at *FIRST* events. Aashray has also been a host on the show *FIRST Updates Now* for the past two years.

Aashray is currently a freshman at the University of California, Berkeley double majoring in Mechanical Engineering and Computer Science.
