

## Faraaz Rahman – Chantilly, VA

Faraaz Rahman is a freshman at the University of Washington majoring in computer science. Faraaz has participated in *FIRST* robotics for 7 years, starting at FLL making his way up to FRC. He competed as team captain of FTC 9901 Techie Titans for 4 years. He is currently mentoring an FTC team and the *FIRST* Global Bangladesh team. He is a student member at Nova Labs, the largest makerspace in northern Virginia, where he is actively involved. In his senior year of high school, he was a part of the initiative to start the first-ever community-based FRC team in Northern Virginia at Nova Labs for students who wanted to compete but didn't have a team at their school.

As a *FIRST* Chesapeake Alumni Ambassador 2022 Cohort member, he is excited to continue to be a part of the *FIRST* community.
