

Nile Smith – Washington, DC

Nile started in FIRST Lego League when he was in the 8th grade. In high school he first joined FRC Team 4821 and then finished with Team 2961. While on 2961 he became team captain and student head of the Engineering academy.

Nile went on to attend the University of the District of Columbia to study engineering. He still lives in the DC area and gives back to many of the same teams of which he was a member by being a mentor.
