

Sara Huelskamp is currently a student at West Virginia University, studying Criminology and Political Science with a minor in Psychology. Sara participated in FIRST for 9 years with notable work on her FTC Team 2818 G-FORCE. Sara was selected as an EngineerGirl Ambassador by the National Academy of Engineering and was a Reach for the Stars Women in STEM Scholarship recipient. She is most proud of being named a 2020-2021 FIRST Dean's List Award Winner. Sara has volunteered at numerous FIRST events and mentored teams in her area. She hopes to continue to make an impact on her community through FIRST.
