Rishabh Gadi is an Aerospace Engineer at the Department of Defense as a R&D Engineer. He got his start in FIRST with FLL in 5th grade, leading him to start multiple FLL teams, participate in FRC for 4 years as a student on team 1255 The Blarglefish, and be a mentor to 3 teams. Currently, he mentors Team 614 Nighthawks as a Design Mentor. FIRST changed his life and helped him build the career he has, everything he gives back to FIRST is in hope that he can inspire 1 student as he was inspired by his mentors and peers.
